# Delivery Options

## Collinson Delivery

Delivery will be made by appointment so that the customer can ensure a telehandler\* or forklift is present for offloading immediately on arrival.

\* Forktines must be at least 1250mm long.

## Customer Collection

A flat bed vehicle, with a maximum bed height of 1.5m above road level, must be provided. A collection date and time will be arranged in advance. We are happy to load the CariStor for a 3rd party haulier arranged by the customer.

## Offloading

Delivery will be made by appointment so that the customer can ensure a fork lift truck is available for offloading immediately on arrival. Offloading is undertaken utilising the forklift channels.

## Base

A concrete base is required: 2 x 2 x 0.15m

## Bolting Down

The customer must ensure that the base is fixed securely to the concrete base. A fixing kit c/w leg packers is supplied.
